**To: Topgrid Pest Specialist Pte Ltd**

I am writing this letter to compliment the team who had dedicated and served the pest control service at our premise in these 2 years. Especially Entomologist and General Manager, Ms Sally and Mr Faizal, who always respond to my every request and solve the pest issue at a very fast pace. I like the way that Ms Sally solve the problem and explain clearly for the issues and preventive measure during the executive review meeting. The other team members who served the premise as well such as Mr Fadhly, Mr Rahman, Mr Roni and etc.. had always explain to me politely what service will be done and suggest the preventive measure to help in solving the pest issue effectively. I believe that these team members had put a lot of effort and hard work to serve this huge building.

Last but not least, I really appreciate and feel thankful for the effort that your team had made. To completely solve the pest issue is not a piece of cake but Top Grid Team really do a lot of effort to solve the problem we faced. I have no regret to choose Top Grid as our pest control vendor and will continue to choose this company as our pest control vendor always.

Thank you.

Your Sincerely,

Ms. Choi Zhi Mei  
Quality Assurance Technician
